

Willie I. Kocurek Elementary School

Music Department

September 12, 2011

Dear Parents,

This year in music class second grade students will explore the precorder. The precorder is a flute like instrument that resembles the recorder but is smaller to fit the second graders' smaller hands. This flute-like instrument helps in teaching students to learn to read music and perform a variety of musical skills. This will also give your student a head start for the third grade when they will be playing full sized recorders. **It is important for each student to have his or her own precorder.** Again, although they resemble a recorder they are unique and different from the recorders that our older students use. All precorders can be ordered through the school by sending **\$4.00** in the supplied envelope with the accompanying permission slip. If you would like to order your student's precorder please return this form and money to your music teacher by **Friday, September 23, 2011.** After this date we will place our order. Thank you for your support of our music program. If you have any questions, please contact us 841-5313.

Musically,

Mr. VandeWalle
Music Education Specialist

Mr. McKinnon
Music Education Specialist

.....

I would like to order a precorder for my child's use in music class and am sending \$4.00 along with this permission slip. I understand that the precorders will not be ordered until **September 23, 2011.**
